POSTURE SUPPORT

This Posture Support mattress provides excellent support for your child at a great price. Features natural Australian wool quilting that gives extra warmth in winter and cooler sleeps in summer.

Slumberest's Posture Support mattress gives excellent support for a growing body. This bed also features Australian wool quilting for extra warmth in winter and to be cooler in summer with maximum air flow. Combine all this with Australian made pocket springs and Dunlop foam which comes with the Australian Asthma foundation approval and health guard. The material also has Adaptive Technology for maximum heat distribution. Your growing child will sleep soundly and wake up refreshed.

- ✓ 6 turn zoned spring
- ✓ Extra firm 35mm foam and Australian wool Quilted cover top and bottom
- ✓ 25 mm 29/200 foam over lay top and bottom
- ✓ Available all sizes

COT MATTRESS

Keep them safe from allergens, mites and chemicals. Crafted from the purest materials, this mattress offers natural hypoallergenic properties, is naturally anti-bacterial, anti-fungal and dust mite resistant.

Using our 24mm dream foam soft quilted cover over our Australian made low profile bonnell spring, your baby will feel like they are sleeping on a cloud and wake happy and full of energy.

With all the benefits of Health Guard, Ultra Fresh, Adaptive technology and more, your infant will thank you by falling asleep easier and sleeping longer.

Mattresses with the utmost in design, quality and comfort.
Proudly Made in Australia.

We have the Australian Asthma Foundation approval on all materials. All foams are 100% Australian Made Dunlop Foams. Pocket Springs are made using Australia BHP steel.

100% natural Australian grown wool. Material 100% Australian Made by Bekaert.

All Materials and foams are treated with Health Guard and Ultra fresh, which are anti-bacterial treatments.

Ultra fresh providing you and your family added health protection. All our mattresses come with a 10 year guarantee.
